Modus Operandi

Narrative

On 04/20/2011, I DFC Lees, responded to the Econolodge Hotel located at 8638 International Drive in reference to a child that had fallen off a balcony.

I arrived on scene and observed Orange County Fire Rescue treating a small child near the pool of the Econolodge Hotel. The child, later identified as Jah-Nea Myles appeared to be alert and conscious.

I made contact with Ms. Helena Myles who is Jah-Nea's mother. Myles stated the following: Myles had left Jah-Nea in the custody of her friend Ms. Dominque Holt. Holt is staying in the adjacent motel room to Myles (#1409). Myles heard Holt screaming and came out of her room and was informed that Jah-Nea had fallen from the 4th floor where they are staying.

Myles appeared distraught and concerned over the status of Jah-Nea as she gave me her account.

I spoke with Dominique Holt who stated the following: Holt was watching Jah-Nea in her room. Holt went to use the bathroom. Holt heard screaming from outside the room and came out of the bathroom to find the door open. Holt ran out of the room and observed Jah-Nea on the ground with a female holding her.

Holt stated that the door may have been cracked but she was sure the door was not left wide open.

I spoke with Ms. Charnelle Edwards who was staying in the room with Holt. Edwards stated that she was watching television in the room and did not realize that Jah-Nea was in the room. Edwards heard the screaming at the same time as Holt and went out to the railing and observe Jah-Nea on the ground with a female holding her.

I made contact with Ms. Helen Beard who was the female observed holding Jah-Nea. Beard is a tourist from England and is staying at the Econolodge through May 3rd. Beard stated the following: Beard observed Jah-Nea hanging from the 4th floor railing. Beard was in the pool area at the time. Beard quickly ran over underneath the railing and observed Jah-Nea fall from the 4th floor railing. Jah-Nea struck the 3rd floor railing as she fell. Beard was able to physically catch Jah-Nea from her 4 story fall, however in the process of catching her Jah-Nea slipped from her arms and struck the ground. Beard picked up and held Jah-Nea as other persons were calling 911.

Beard did not observe any persons on the walkway and stated that it appeared that Jah-Nea had slipped in between the railings lining the walkway. Beard held onto Jah-Nea until paramedics arrived.

Jah-Nea was transported to Arnold Palmer Hospital. I made contact with medical staff at Arnold Palmer Hospital who advised me that Jah-Nea had no injuries, bruising, or scratches and was in good health. I held and examined Jah-Nea and observed no marks on her body. Jah-Nea was playful, not crying and did not appear to be in any pain or discomfort.
