DEDICATION

Orange County Sheriff's Task Force Code of Ethics

As a Task Force member, my fundamental duty is to serve mankind, the community in which I live, and promote public safety by assisting any city, state, or federal agency in any endeavor for which I am qualified.

I will keep my private life unsoiled as an example to all; maintain calm in the face of ridicule; develop personal restraint; and be constantly mindful of both my personal and official life. I will be exemplary in obeying the laws of the land and the regulations of the Orange County Sheriff's Task Force. Whatever I see or hear of a confidential nature or whatever is confided to me in my capacity will be kept ever secret unless revelation is necessary in the performance of duties.

I will never act officiously or permit personal feelings, prejudices, animosities, or friendships to influence my decisions.

I will recognize my volunteer service of this office as a symbol of public faith and trust so long as I am true to the ethics of police service; assisting in whatever capacity I may be directed.

I will constantly strive to achieve these objectives and ideas, dedicating myself before God to my chosen service as a member of the Orange County Sheriff's Task Force.
