

Orange County Sherrif's Office

RFQ #222-26

OCSO Outdoor Firing Range Berm Maintenance and Cleaning

Addendum #2

03-23-2026

Question(s):

**Question 1.**

One more question: I'm filling out the vendor application and am trying to input the correct commodity codes. Can you please advise which commodity codes this one was listed under, as I do not see lead abatement, so I can complete the application properly?

I would recommend Commodity code ( **96100**) **CONTRACTUAL MAINTENANCE SERVICES, MISCELLANEOUS EQUIPMENT**. I do not see one specifically for Lead Abatement.

Thank you very much for your time.
