

Orange County Sherrif's Office
RFQ #221-26
Rigaku Icon-X Handheld Raman Bid
Addendum #1
04-27-2026

Question 1

Regarding the above-mentioned ITB, will alternate products be considered? We manufacture a handheld Raman device that is superior to the Rigaku. Please let me know if alternate brand bids will be accepted.

Due to prior testing of multiple devices, the Rigaku device was found to be the best fit for the needs of the department and alternate products will not be accepted.
